This is our dream
this is our commitment.

WELCOME TO ERANAD KNOWLEDGE CITY CAMPUS

Eranad Knowledge City is a first of its kind project in Kerala set up by Al-Hind Educational & Charitable Trust, to pave the way for the radical revolution in educational standards to cater the needs of the society by creating an environment to LEARN, LIVE, WORK & PLAY matching the International Standards. Eranad Knowledge City is not just a group of institutions which imparts world class education, but an experience where everyone associated with is part of a mission to see that students have universal and equitable access to higher education in various disciplines and inculcate in knowledge and confidence embedded with professional traits to become highly competent in the dynamic global market.

Institutions at Eranad Knowledge City are characterized by the quality of education across a broad range of disciplines from Kinder Garten to Post-Graduation programs covering Engineering & Technology, Architecture, Science & Technology, Commerce, Business Management, Arts, and Mass Communication & Journalism. We have been successful in managing the process of transition among the students from the school to College by acknowledging that students in all their diversity come to us to learn and that we are responsible not just to keep them, but for creating environments where active learning can take place. We achieve this by enabling strategic infrastructure and extensive beyond the curriculum activities, to embed transition practices systematically.
